

October 26, 2006 CSCA General Membership Meeting Minutes
7:30pm / Haviland Elementary Media Center

Introductions made by CSCA President, John

Members in attendance: John, Matt, Anne, Cheryl, Dianne, Lisa, Tina

Treasure Report made by Anne – best in 7 years! Debt reduced by \$5000 since April 2006

Request for homeowner adjacent to Cass Lake Slip area & Elizabeth Lake Beach to have security lights connected to their 'hard address' at the request of DTE. CSCA will still hold responsibility for the lights, and the bills will be directed to the CSCA post office box. These homeowners not present at meeting, will put a note in the newsletter and ask again at Spring meeting. Tina has volunteered to check with the Elizabeth Lake adjacent homeowners to see if they would consider it.

Best Spring clean up participation in years, hope to keep up the momentum. Major clean up completed on major outlots.

Lot 19 & Elizabeth Lake Slip Area outlot indicators have been installed, John Hoppesch to complete the other 4 currently being addressed next week – more to come.

New CSCA website! Site address to be published in newsletter.

Necessary to table election to Spring 2007 due to low homeowner attendance.

Dianne reported out we have reduced the boat slip wait list considerably, only 11 on Cass Lake wait list at this time, and 8 on Elizabeth Lake. Quite an accomplishment from past years.

A suggestion was made to update ByLaws and move the fiscal year to Spring, hold elections at the Spring meeting since attendance is higher and we usually end up tabling them anyway. Motion to pass will be brought up at Spring 2007 General Membership Meeting.

Floor opened for comments.

Meeting closed.
